

FPRI's Middle East Scholars' Productivity and Reach

1ST QUARTER, 2016

Between January 1 - April 15th of this year, FPRI's Middle East Program scholars and trustees have written, spoken, been cited or published **+250** times in **+70** distinct, reputable internal and external publications and media outlets spanning **+10** countries.

+130 Scholarly Contributions **+60 Distinct Outlets** **+10 Different Countries**

This prolific reach both raises FPRI's profile locally, nationally, and globally; and exposes an ever-growing audience to the sound research and analysis produced by our scholars, focused around FPRI's geopolitical approach.
